To Whom It May Concern:

I would like to take this opportunity to express that as a citizen of Woodford County, Kentucky I am opposed to the FCC's proposal to expand the LPFM broadcast service in order for the LPFM stations to take priority over the present FM translator service. The radio station known as K-LOVE has provided our community a listening option that promotes family-friendly broadcasting. I am the parent of a 3-year old. Everyday on my commute to work she asks listen to K-LOVE. She wants to "*sing about Jesus*". Please preserve the service that K-LOVE provides for our community.

Sincerely,

Michele D. Ray
